Consent

I.

the undersigned,

understand that Sandra (Chadsey) O'Grady HOM, R.BIE is a Registered Homeopath and Bioenergetic (BIE) practitioner and **not** a licensed medical doctor.

- As such, I acknowledge that I am here on my own behalf and it is my right and responsibility, at any time throughout my care with Sandra (Chadsey) O'Grady, to seek medical counsel and diagnosis, if so desired from a licensed medical doctor, for any present and/or future condition(s).
- I acknowledge that Sandra (Chadsey) O'Grady does not diagnose or give direction on any current medications or diagnosis treatment plan from my licensed medical doctor.
- I reserve the right to terminate homeopathic and BIE treatment at any time if so inclined. I acknowledge that the state of my health is my own responsibility and that I am exercising my right to choose an alternative method of treatment, in homeopathy or BIE, that addresses my health in its entirety.
- I consent that after assessment, answering of questions, and discussion of homeopathic treatment options, to my satisfaction, I will voluntarily follow recommended treatment advice. I understand I can withdraw my consent at any time.
- In regards to BIE solely, I acknowledge that the GSR-120 unit is not intended to be used to diagnose, cure, prognosticate, treatment or prescribing of remedies for the treatment of disease or any act which will constitute the practice of medicine in this country in which a medical license is required.
- The GSR-120 unit is used to direct energy directly onto various acupuncture points on the body to help create homeostasis.
- Homeopathy is not covered by existing government medical insurance plans; therefore I agree to pay all fees incurred as presented in the current rate schedule.
